Now Here's A Tip

by JoAnn Derson

• Clear bins make it
easy to group like items
in your pantry. You can
remove the bin, get what
you need and replace
it rather than digging
through cans and boxes
on a shelf and having
to straighten it back up
when you're done.
• "This might not be
revolutionary, but if you
put a tennis ball into
a long sock and knot
the sock, your dog will
really like it. If they play
with it outside, you can
even put it right into the
wash." - K.R. in AL

BIBLE WORD SEARCH

by Elie's Spiritual Treasures

JOHN 8:12

When Jesus spoke again to the people, he said, "I am
the light of the world. Whoever follows me will never
walk in darkness, but will have the light of life."

SCUBAPRO
Atomic

Now Here's A Tip

by JoAnn Derson

• Before removing a splinter, ice the area. There will be less fussing, and a wooden splinter might absorb some liquid, causing it to swell enough to pop out a bit more.

• "Use your vegetable peeler to make strips of butter if it's cold and you need to spread it on bread. The strips' large amount of surface area help the butter to soften quickly, making it easy to spread." - M.M. in TX

• If you've lost a zipper pull, you can create a temporary one with a paperclip.

• "I have two guest bedrooms that hardly get used. I keep the beds made up, but when I am expecting guests I will usually strip the beds to freshen the sheets and blankets. I toss the sheets into the dryer with a fabric-softener sheet and hang the blanket outside in the sunshine for several hours. It always does the trick, and I don't need to wash linens that are already clean!" - U.C. in California

Outdoor Opportunities

By COL (Ret.) Grey D. Berrier II

Our Local Harbinger of Spring: Sportsman's Night Out • February 28

I've come to realize my dog is really great at telling time, but not so good when it comes to knowing his days of the week. This past weekend, after I got up early to go coyote hunting on Fri. and Sat., he decided I needed to get up again exactly at 3:45 AM on Sunday. I promised him I would take him for a walk before we headed off to church. I got back up at 6:25 AM and we followed our usual 1-mile route in the slowly increasing daylight. I'm glad we were out this past Sunday morning, because we were serenaded by a gobbler sounding off across the Shenango River, up on High Hill. His aggressive gobbling every 60 seconds or so is something I never tire of hearing and is a welcome harbinger of Spring. Like most outdoorsmen, women, and youths, my thoughts this time of year are starting to drift towards "TNT", which is to say "Trout and Turkeys", which will be here before you know it, along with longer days and warmer weather.

Here in Lawrence County, there is another harbinger of Spring that outdoorsmen, women, and youths eagerly anticipate each year and make part of their annual preparations for upcoming excursions. That special event is Sportsman's Night Out (SNO) at Laurel High School on State Route 108 across from the Lawrence County Fairgrounds in New Castle, PA and this year it will be held on Friday, February 28. Hosted by the Laurel Conservation Club (LCC), each year these 7th - 12th grade students work together and learn significantly from operating the largest student-run outdoor exposition in the entire Commonwealth of Pennsylvania. 2020 marks the 35th annual rendition of Sportsman's Night Out, which is the LCC's primary fundraising event; and the students would like to warmly welcome all members of the public to attend this year's event. (Even if you don't hunt or fish, you will find something of interest for the entire family at SNO.)

I recently had the opportunity to sit down with LCC President, senior Jadelyn Horter, Executive Officer, senior John Magee, and SNO Coordinator, sophomore Matt

Buchowski, to learn more about this year's event. Featured speakers in the auditorium will be PA Game Commission Wild Turkey Biologist, Mary Jo Casalena, presenting "Let's Talk Turkey" from 6-7 PM; followed by Heirs to the Outdoors (Brendan Ryhal, Brian McLaughlin, John Greco, Brandon Baker, and featuring Buddy Stang on the call) from 7:30 - 9 PM, who will share "Molding the Next Generation of Hunter". Concurrently, there will be numerous informative seminars in the classrooms to choose from at 6 and 7 PM. "Turtle Soup" will be presented by Wayne Anderson in Room 117 during both sessions. The Sisters of the 2nd Amendment will be in Room 120 and offer "Choosing the Right Handgun" at 6 PM, followed by a "Self-Defense Demonstration" with Anthony Mazzant at 7 PM. Susan Edwards from BTB Game Recovery will conduct "Tips for Tracking and Finding Wounded Deer" at both 6 and 7 PM in Room 122. LCC graduate Justin Burk will be in Room 126 sharing "Muzzleloading Techniques" at 6 PM and "Muzzleloader Accuracy" at 7 PM. Russ Cawthorne of Specialty Outdoors, whose focus is Ice Fishing and Waterfowl Hunting, will host an open forum in Room 127 during both sessions.

This year, there will be an LCC student trophy wall in the gym, along with "Guess the Score of a Big Buck Rack" to the nearest 1/8 inch, and a tremendous assortment of kid's games, including the famous cork gun range. You won't want to miss the archery dunk tank in the Ag shop, where you can attempt to sink Sasquatch. Additionally, there will be an assortment of food available and numerous vendors will have a wide variety of outdoor-related products, along with other attractions. Doors open at 5:30 PM. Admission is \$3.00, while Seniors and under 7 are free.

As Jadelyn told me, "It's not just a social event or a fund-raiser. It's extraordinary and gives us a purpose. You'll only appreciate it, if you're here!" Their motto is "Youth Committed to the Future". Won't you commit to coming for them? **God Bless, Be Safe, and Great Outdoors!** ©WBB 2020

Strange BUT TRUE

By Samantha Weaver
© 2020 King Features Synd., Inc.

* You might be surprised to learn that the most dangerous profession in the country – in terms of the percentage of people holding that profession who have been killed – isn't firefighter or police officer, it's president of the United States. A total of 9% of our presidents have been assassinated.

* Stanley Mason was an inventor who really got around, in a manner of speaking. In addition to coming with the idea for the granola bar, he also created the squeezable ketchup bottle, the disposable diaper, heated pizza boxes and the dental floss dispenser.

* Those who study such things claim that the act of licking a stamp burns one-tenth of a calorie.

Our Daily Bread

When Things Get Worse

Read: Jeremiah 12:1-17

If you have run with the footmen, and they have wearied you, then how can you contend with horses. Jeremiah 12:5

A woman was experiencing several complications from a serious illness. "As a nurse," she said, "I know what to expect. Things will only get worse." After listing the problems that would come as her disease progressed, she expressed her confidence that the Lord would be with her all the way. Then she quipped, "I just wish it wouldn't take Him so long to take me to heaven."

In Jeremiah 12, we find that the prophet was despondent. Then the Lord told him that what he was currently experiencing was like running with the infantry. But what lay ahead for him would be like trying to keep up with the cavalry (v.5).

Treachery on the part of his own countrymen, as well as famine, natural disasters, and invasion by ruthless enemies were in store for him and his people. But a ray of light penetrated the darkness of the scene. If the Israelites (and even the cruel pagan invaders) would repent and put their trust in God, they would be restored and be able to bask in the sunlight of God's favor.

Is your health deteriorating? Are your family and work situations getting worse? Do you worry about national disaster? If you are a believer, don't be discouraged. The final outcome will be glorious for all who trust in God!

O Lord, we bring our troubled hearts to You in fervent prayer; Now help us wait expectantly

While resting in Your care. Sper

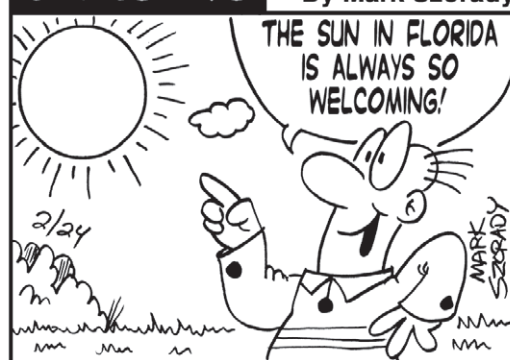

Troubles seem smaller

when you remember the greatness of God.
