Outdoor Opportunities

By COL (Ret.) Grey D. Berrier II

With In-Person Events on Hold, Why Not Visit the PFBC's Virtual Outdoor Expo 2021?

Even though February has the fewest days, it tends to be the month most commonly associated with cabin-fever. For outdoorsmen and women, one remedy for cabin fever is attending outdoor expos where like-minded individuals gather. Here in PA, we're blessed to have first-rate outdoor expos on the state, regional, and local levels. Harrisburg is home to the nation's largest annual expo, the nine-day Great American Outdoor Show, which occupies the entire expansive 80-acres under roof at the PA Farm Show Complex. The 2021 edition was scheduled for Feb. 6-14, 2021, but was unfortunately postponed due to PA state-mandated Covid-19 restrictions. Similarly, the 2021 Allegheny Outdoor, Sport & Travel Show at the Pittsburgh/Monroeville Convention Center and our locally popular Sportsman's Night Out, hosted annually by the Laurel Conservation Club, have also been impacted by ongoing pandemic concerns.

One common denominator at all three of these outdoor expos was the presence of PA Fish & Boat Commission (PFBC) representatives. Historically, the PFBC has utilized outdoor expos as a forum to communicate with their constituents, the angling and boating public. PFBC representatives would answer questions, share details on what is new, provide information on upcoming events, and offer resources to both experienced anglers/boaters and novices just getting started in these outdoor pursuits. Realizing the current state of Covid-19 restrictions would preclude face-to-face interaction with fishermen/women and boaters, the PFBC decided to conduct their own Virtual Outdoor Expo 2021 online, coinciding with the dates when they would have been set up at the Great American Outdoor Show 2021, had it been held. Therefore, from Mon., Feb. 8 through Fri., Feb. 12, 2021, they conducted two online seminars each day, some live and a few prerecorded, for a total of 10 informative sessions. All ten are now archived online and you can conveniently watch them on your computer, laptop, smartphone, or smart TV. To view any or all of the PFBC's Virtual Outdoor Expo 2021 sessions, start by visiting their website, which is fishandboat.com. From the homepage, click either the Facebook or YouTube links to find the 10 videos.

Here are the titles, contents, and duration of the sessions conducted by the PFBC's top experts. These virtual seminars will be of interest to anglers, boaters, and individuals of all ages of the general public.

Session 1 (Aired 02/08/2021 at 10 AM / Duration 19:34) – Introduction and Tour of Benner Spring State Fish Hatchery. Communications

Director Mike Parker does the informative intro covering all ten sessions and Hatchery Manager Doug Hess narrates the virtual tour documenting how stocked trout are raised.

Session 2 (Aired 02/08/2021 at 1 PM / Duration 53:36) – PA's State Fish Hatcheries. Hatchery Director Brian Wisner shares an inside look at raising bass, walleye, and other species at 14 state fish hatcheries.

Session 3 (Aired 02/09/2021 at 10 AM / Duration 55:19) – Conversation with a Waterways Conservation Officer. Enforcement Director COL Britcher and WCO Rachael Thurner-Diaz provide hands-on insight.

Session 4 (Aired 02/09/2021 at 1 PM / Duration 57:13) – PA's Steelhead Program. A PFBC Biologist and Hatchery Staff give a detailed look at perpetuating PA's exceptional Lake Erie steelhead fishery.

Session 5 (Aired 02/10/2021 at 10 AM / Duration 47:54) – Kayaking 101. Learn what's behind the fastest growing boating trend and how you can get started in kayaking from Water Safety Manager Ryan Walt.

Session 6 (Aired 02/10/2021 at 1 PM / Duration 50:55) – Meet the PFBC Executive Director, Tim Schaeffer. Tim shares his thoughts on fishing & boating in PA today and his vision for the future.

Session 7 (Aired 02/11/2021 at 10 AM / Duration 22:09) – Employment with the PFBC. Human Resources Director Maxine Johnson answers frequent questions on how to become a PFBC employee.

Session 8 (Aired 02/11/2021 at 1 PM / Duration 53:08) – Kayak fishing PA's Rivers. PFBC NW Region Educational Specialist Chad Foster and Kayak Tournament Angler Russel Johnson provide valuable tips.

Session 9 (Aired 02/12/2021 at 10 AM / Duration 1:05:38) – Let's Talk Muskies. A PFBC Biologist and Hatchery Staff provide insight on what's behind propagating this trophy species and some recent changes.

Session 10 (Aired 02/12/2021 at 1 PM / Duration 1:04:33) – Wrap-Up Session. Executive Director Tim Schaeffer and PFBC Staff Members answer questions they received during the five-day seminar sessions.

While it wasn't highly publicized beforehand, the PFBC's Virtual Outdoor Expo 2021 is definitely worth going online now to watch either the parts that interest you or all ten sessions in their entirety as you beat back cabin fever and look ahead to fishing season! God Bless, Be Safe, and Great Outdoors!

Day by Day with Billy Graham

He Changes Us • May 12, 2014

... that I may open my mouth boldly, to make known the mystery of the gospel. —Ephesians 6:19

The word "mystery" means beyond human knowledge or understanding. God's mysteries baffle the unbelieving, but bless the believer. The mystery of righteousness, like some of the other great mysteries of God, we cannot comprehend, but we know it works. We stand amazed at this great mystery which enables God to change the human heart, its attitudes, its desires, and its nature.

God, a holy God, who loves righteousness and hates wickedness, through a process of redemption has re-fashioned us in the image of Himself. How marvelous! For generations He has been applying His righteousness to the hearts of men. Even in our time, with its complexities of living, God is in the business of changing men and women by the mystery of righteousness.

Prayer for the day: Give me Your boldness to tell others the secret of eternal joy in Jesus Christ.
