Our Daily Bread

News Worth Celebrating
Here is a trustworthy saying: If we died with him, we will also live with him.

2 Timothy 2:11
READ 2 Timothy 2:8-13

For more than two centuries, the hymn placed first in the Methodist hymnbook

was “O for a Thousand Tongues to Sing.” Written by Charles Wesley and originally titled “For the Anniversary Day of One’s Conversion,” the song was composed to commemorate the radical renewal sparked by his faith in Jesus. It has eighteen stanzas proclaiming the glory of God’s goodness to those who repent and follow Christ.

Such faith is worth celebrating—and worth sharing. In 2 Timothy 2, Paul encourages Timothy to remain steadfast in his faith and to persevere in sharing it. He noted, “This is my gospel, for which I

am suffering even to the point of being chained like a criminal” (vv. 8-9). Rather than second-guess his choices, Paul reminds Timothy to remember the good-news message: “Jesus Christ, raised from the dead, descended from David” (v. 8), came not to rule but to serve and ultimately to die for the sins of the world so that we may have peace with God. Death didn’t win. Jesus rose from the grave.

And just as it set free those who believe, the message itself isn’t bound. “God’s word is not chained,” said Paul (v. 9), not even from places where death seems to have won: prison cells, hospital beds, gravesides. In Christ, there’s hope for all people. That’s news worth celebrating!
By Matt Lucas

How do you celebrate the good news of Jesus in your daily life? Whom can you share this good news with?

Father, thank You for saving me and giving me opportunities to share the good news with everyone.

Keep an Eye Out for Truckloads of Trout
En Route to Local Waterways

If I asked you a question, "what is something Lawrence County is well-known for in other parts of Pennsylvania?" how would you respond? I think

a lot of people would reply, "New Castle is the Firework's Capital of the World!" That is a very true statement since local fireworks manufacturers Zambelli Fireworks International and Pyrotecnico Fireworks bring joy and wonder to millions of people each year with their magnificent aerial displays. However, when it comes to the outdoors and specifically fishing, Lawrence County is extremely well-known for the pomp and circumstance that goes into the pre-season trout stocking of the Neshannock Creek each year in Volant. I have talked to the PA Fish & Boat Commission's Executive Director, along with other key members of his staff in Harrisburg, and also with numerous PFBC Waterways Conservation Officers and several Fish Hatchery Stocking Truck Drivers, and it is common knowledge that Volant puts on the best "welcome to town" ceremony in PA when the stocking trucks bringing trout arrive each year. This year's festivities took place this past Saturday, March 1, and in spite of the weather, hundreds of people eagerly welcomed thousands of lively trout to town!

Our 2025 Trout Season Opening Day is Saturday, April 5, so PFBC Waterways Conservation Officers, Fish Hatchery Stocking Truck Drivers, and local volunteers are busy putting thousands of healthy trout in local waterways before the season opener. In your travels, you may notice the PFBC's white stocking trucks hauling trout in their aerated tanks with prominent signs on the back that read, "Another Truckload of Family Fishing Fun." Preseason stocking efforts in PA started back on Monday, February 17, and continue on into March. Fishing is not permitted on Stocked Trout Waters from Feb. 17 until 8 AM on Sat., Apr. 5 (Opening Day). The exception to that is Sat, March 29, which is Mentored Youth Trout Day, when youth under the age of 16 accompanied by an adult who holds a valid PA fishing license, get a one-day opportunity for an "early crack" at all those stocked trout. Unfortunately, the last few years our Mentored Youth Trout Day and Opening Day have come with high water and slow fishing conditions, but hope always springs eternal for each new trout fishing season and the opportunities it may bring. Across PA, there are certain

stocked trout waters open under the year-round fishing program, which permit trout fishing on a catch-and-release basis from Feb. 17 until Apr. 5 for those eager to "wet a line" and locally that includes the stretch of Neshannock Creek in Volant down to the

covered bridge and Cascade Quarry.

The PFBC's schedule of Pre-Season and In-Season Trout Stockings became available online back on Jan. 30 and can be found at <https://fbweb.pa.gov/TroutStocking>. For those who prefer a paper copy, they are typically available at our local PA State Representatives and State Senators' offices. The website can be searched for trout stockings, both pre-season and in-season, for all 67 PA counties. So, it is a valuable resource for your local fishing excursions and wider ranging trips up to camp or wherever you choose to roam to pursue trout. Here in Lawrence County, we have 11 stocked trout waterways. Many individuals who do not trout fish may not be familiar with them and some individuals who do trout fish may not know all 11, where they might possibly venture to pursue trout. I'm going to list all 11 stocked trout waters and include the Pre-Season Date they were stocked and the In-Season Date(s) for stocking. 1. Bessemer Lake (Pre - 2/26 / In - 4/12 & 4/22); 2. Big Run (Pre - 2/20 / In - 4/28); 3. Cascade Quarry (Pre - Fall 2024 / In - 4/12); 4. Deer Creek (Pre - 2-27 / In - Week of 4/21); 5. Hickory Run (Pre - 2/27 / In - 4/15); 6. Honey Creek (Pre - 3/3 / In - 4/15); 7. Little Neshannock Creek (Pre - 3/4 / In - 4/18); 8. Neshannock Creek: Sections 3 & 4 (Pre - 3/1 / In - 4/7 & 5/1), Section 5 (Pre - 3/1 / In - 4/11 & 4/23); 9. North Fork Little Beaver Creek ((Pre - 3/3 / In - 4/13); 10. Slippery Rock Creek: Section 2 (Pre - 2/24 / In - 4/9 & 4/30), Section 3 (Pre - 3/12 / In - 4/9 & 4/30), Section 4 (Pre - 3/12 / In - 4/9); and 11. Taylor Run (Pre - 3/12 / In - 4/9). Now you know the trout stocking dates to put down on your calendar!

The online and hardcopy trout stocking schedules for Lawrence County show the Upper Limit and Lower Limit of each stream/section to be stocked. Additionally, it shows which PA Fish Hatchery the trout are coming from and the species (Brown, Rainbow, or Golden), along with where you can meet the hatchery truck on designated stocking dates to volunteer with helping stock the trout. More assistance is welcomed and it is very interesting, if you've never participated. Good luck this 2025 Trout Fishing Season! Your trout may be in the water now or arriving soon!

God Bless, Be Safe, and Great Outdoors!

Now Here's A Tip

by JoAnn Derson

• My family's spring-cleaning checklist is in full effect. Some people dread seasonal chores, but I relish the sense of accomplishment that comes from a job well done. With the right planning, and some helpful tips, spring-cleaning can be a breeze. Here are some of the best we have to share.

* Keep a bottle of club soda handy for spot stains on carpets or upholstery. It's good for more than just good drinks. ©2025 King Features

• Spring is a wonderful time to clean the walls inside your house. It really freshens a room. Clean painted walls by dusting them first with a dry mop, then washing with a rag dampened in water. If you need a little extra oomph – say, in the kitchen or bath – add a couple drops of mild dish soap.

• In the closet, we all want to pare away unused items. Turn all the clothes hangers the opposite way (facing out instead of in). When you use an item and it is returned to the closet, replace the hanger normally. In a few months, if an item has not been worn, it'll be apparent. If it's not likely to be worn, it should go.

• New drapes or even new pillow covers in a fabulous pattern can really jazz up a room. Consider switching smaller furniture accents between common rooms or a fresh furniture arrangement to change it up.
